excerpt from the best short stories of 1919 and the yearbook of the american short story no american can hope to run a journal win public office successfully advertise a soap or write a popular novel who does not insist upon the idealistic basis of his country a peculiar sort of ethical rapture has earned the term american and the reason is probably at least in part the fact that no land has ever sprung so nakedly as ours from a direct and consciously material impulse about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

excerpt from nineteenth yearbook of the national society for the study of education part i new materials of instruction prepared by the society s committee on new materials of instruction teachers very seldom think of it as part of their duty to find and prepare for use in class work new materials for instruction they are for the most part mere distributors of the knowledge which they themselves were taught in school or of such knowledge as they can easily find in standard textbooks indeed it is possible to find cases in which a teacher limits the work of pupils to a study of what is contained in a single text even the order of presentation of topics and the method of presenting material sometimes follow strictly the suggestions of the textbook so that the teacher becomes a mere imitation about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

excerpt from yearbook of the united states department of agriculture 1903 the tendency of the yearbook to increase in size following very naturally the growth of the department whose work it deals with led to the production for several years of a book of inconvenient dimensions and threatened unless a different system were pursued in its preparation very soon to make a most unwieldy volume an earnest effort had to be made and a change was therefore inaugurated in the preparation of the present volume with a view to reducing its bulk the result has been to reduce it by about 5200 pages while the tendency to conservatism in the matter of illustrations which for the past year or two has characterized all the publication work of the department has caused a reduction in the number of plates from 87 in the year book for 1902 to 65 in the present volume it has been impossible of course to effect such a marked reduction without in some measure restricting the number of articles contributed the number in this volume while still considerably above the average since the yearbook was established is 32 as against 37 last year and 33 in the yearbook for 1901 the authors are however to be congratulated upon having more nearly than ever before approached the standard of brevity which it has been sought to establish in connection with yearbook articles and the average length is but a fraction over 12 pages readers who have been in the habit of consulting the appendix will find there also evidence of this restrictive policy in the elimination of some features to which they have become accustomed it is believed however that the most important information presented in this part of the yearbook for permanent preservation has been retained at a risk of repetition it must be again stated for the information of those who desire to possess a copy of the work that the quota assigned to the department's use is barely sufficient to supply its own active coworkers and the great majority of people desiring to secure a copy must therefore depend upon their senators representatives about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

an indispensable tool for librarians who do reference or collection management this work is a pioneering offering of expertly selected print and electronic reference tools for east asian studies chinese japanese and korean handbook for asian studies specialists a guide to research materials and collection building tools is the first work to cover reference works for the main asian area languages of china japan and korea several leading asian studies librarians have contributed their many decades of experience to create a resource that gathers major reference titles both print and online that would be useful to today's asian studies librarian organized by language group it offers useful information on the many subscription based and open source electronic tools relevant to asian studies this book will serve as an essential resource for reference collections at academic libraries previously published bibliographies on materials deal with china or japan or korea but none have coalesced information on all three countries into one work or are written in english and unlike the other resources available this work provides the insight needed for librarians to make informed collection management decisions and reference selections

excerpt from the best short stories of 1917 and the yearbook of the american short story a year ago in the introduction to the best short stories of i pointed out that the american short story cannot be reduced to a literary formula because the art in which it finds its concrete embodiment is a growing art the critic when he approaches american literature cannot regard it as he can regard any foreign literature setting aside the question of whether our cosmopolitan population with its widely different kinds of racial heritage is at an advantage or a disadvantage because of its conflicting traditions we must accept the variety in substance and attempt to find in it a new kind of national unity hitherto unknown in the history of the world the message voiced in president wilson s words on several occasions during the past year is a true re flection of the message implicit in american literature various in substance it finds its unity in the new freedom of democracy and english and french german and slav italian and scandinavian bring to the common melting pot ideals which are fused in a national unity of democratic utterance about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
