in recent years conspiracy theories have been thought to come exclusively from the wilder shores of political observation implausibly far fetched at best and dangerous at worst by definition however a conspiracy occurs each time a group of influential people agree a course of action in private and by extra democratic means conspiring is part of any politician s job description and any criminal s attempt to

pervert the course of justice from new information on the usual suspects like the bildeberg group through covert intelligence involvement with britain s wilson government royal family and in the profumo affair to reagan s secret post cold war agenda and a mooted plot within the current us administration to supersede george w bush

conspiracy theories have become a major element in modern opinion formation from the theory that the killing of president kennedy was masterminded by a powerful conspiracy to the theory that 9 11 was an inside job from the story that barack obama wasn t born in america to the story that donald trump was a russian asset conspiracy theories have become a major element in opinion formation and an ever present influence sometimes open sometimes hidden on the daily headline news in conspiracy theories philosophers of diverse backgrounds and persuasions focus their lenses on the phenomenon of the conspiracy theory its psychological causes its typical shape and its political consequences among the questions addressed what s the formula for designing a contagious conspiracy theory where does conspiracy theorizing end and investigative reporting begin what can we learn about conspiracy theories from the three movie treatments of the kennedy assassination the parallax view jfk and interview with the assassin does political powerlessness generate conspiracy theories is conspiracy theorizing essentially an instinct that lies behind all belief in religion and all striving for a meaningful life can we find conspiracy theories in all political movements for centuries past what are the most common types of fallacious reasoning that tend to support conspiracy theories is there a psychological disorder at the root of conspiracy theories why is the number of flat earthers growing

the essays in this volume focus on fichte s contributions in political theory as set out in his foundations of natural right examining such issues as fichte s role as a

social contract theorist his theory of gender relations and his theories on punishment and criminal law

a wealthy iranian family committed to jihad is building atomic bombs in the united states and placing them in the downtown districts of some of our major cities the iranians employ hundreds of people in cities all across the united states to develop the very devices that can eventually kill them none of these people know exactly what they are doing they are only providing parts that have a number of uses the plot covers three continents and involves numerous subplots the cia knows something is going on but does not know how who or where this is taking place the bombs are all set on sophisticated timers that will automatically detonate the devices the first workday after new years and destroy our largest cities follow the story as the iranians buy and lease properties build facilities to enrich uranium fabricate the devices and place them in the heart of american cities follow along and a special task force attempts to unravel the plot and stop the destruction of america when january 3 comes around will america be dealt a crippling blow or will it just be another workday
