the adoption of the convention on the rights of people with disabilities crpd by the united nations in 2006 is the first comprehensive and binding treaty on the rights of people with disabilities it establishes the right of people with disabilities to equality dignity autonomy full participation as well as the right to live in the community and the right to supported decision making and inclusive education prior to the crpd international law had provided only limited protections to people with disabilities this book analyses the development of disability rights as an international human rights movement focusing on the united states and countries in asia africa the middle east the book examines the status of people with disabilities under international law prior to the adoption of the crpd and follows the development of human rights protections through the convention s drafting process arlene kanter argues that by including both new applications and entirely new approaches to human rights treaty enforcement the crpd is significant not only to people with disabilities but also to the general development of international human rights by offering new human rights protections for all people taking a comparative perspective the book explores how the success of the crpd in achieving protections depends on the extent to which individual countries enforce domestic laws and policies and the changing public attitudes towards people with disabilities this book will be of excellent use and interest to researchers and students of human rights law discrimination and disability studies

this book investigates the implementation of disability rights and duties in the european

union aiming to understand its functioning and explore ways forward through a critical analysis of the convention on the rights of persons with disabilities crpd within the context of international regulation along the lines of the integration of fundamental rights within the common market the eu has indeed progressively adopted meaningful regulation to advance disability rights which are now essentially shaped by the crpd the research considers the interaction between law and policy at the international eu and member states level focusing on three essential elements including the sources of disability law institutional mechanisms and substantive regulation grounded in the distinction between primary rules on law making and secondary norms on enforcement the analysis unfolds against the background of the twin transitions on sustainability and digitalisation and encompasses the council of europe system particularly in the light of the foreseeable accession of the eu to the european convention on human rights arguably following the progressive development it has facilitated in other regulatory areas the court of justice of the european union can provide a decisive contribution to advancing inclusiveness for people with disabilities in the union the book is a useful resource for practitioners policymakers academics students researchers and anyone interested in eu and international disability law and politics

riots and militant occupations provides students with theoretical reflections and qualitative case studies on militant contentious political action across a range from across europe to nigeria china and turkey this multi authored interdisciplinary collection adopts an interpretive and participatory approach to examining meanings affects embodiment identity relationality and space in the context of riots and protests the rapidly shifting terrain of riots and occupations has left existing social scientific theories lagging behind challenging dominant constructions of agency and rationality this book will fill this gap by offering new understandings and critical perspectives on the question of what happens in space in time and between people during and after riots weaving together observations experiences and analyses of riots from participants theorists and social scientists the authors craft theoretical perspectives in close connection with researched practices these perspectives take the form of new theoretical contributions on the spatiality affectivity and immanent meaning of riots and grassroots qualitative case studies of particular events and contexts countering the preconceptions of riots as a trail of broken windows burned dumpsters and angry conservatives this book aims to demonstrate that riots are fundamentally creative generating forms of meaning power knowledge affect social connection and participatory space which are rare and sociologically important in the modern world

this book records real life experiences of transgender violence and victimisation analysing the legal lacunae in granting protection to the historically vulnerable community and their perspective of the law and safety it is an outcome of extensive empirical legal research conducted in the state of west bengal india with exploration of global scenario of violence a systematic pattern of victimisation has been identified leading to a reasonable conclusion of internationalisation of transgender violence and victimisation that is largely ignored and is bereft of any legal protection premised on the fact that without safety and protection against grave crimes no amount of civil rights protection is effective the book provides an account of the ever increasing gravity of transgender violence and victimisation recognising that there is a paucity of research on type of targeted violence against transgender persons yet even with that scarcity of consistent and reliable reporting to official law enforcement sources the data that is available from governments public interest groups and community surveys about sogi motivated violence reveals that precarity prevalence violence and the harm caused are graver as against other types of crimes and crimes against lgb population the author deliberately chose to focus on unearthing violence and victimisation the culturally sensitive approach to the problem is first of its kind in the legal landscape and expects to contribute to the developing jurisprudence the book navigates through the transgender jurisprudence to conclude that attempts made by the law makers across the world is only tokenistic and that the real pulse of the community is far from being recognised in law the in

depth interviews with law enforcement bodies and transgender activists and victims reveal gaps between laws and realities whose impact assessment has been attempted in the book to suggest possible best practices to reduce vulnerability and auger empowerment the book expects to open doors for more legal and interdisciplinary research in india and abroad by scholars of law sociology victimology and others

in 2011 the un human rights council created the mandate of the independent expert on the promotion of a democratic and equitable international order this book based on the reports by dr alfred de zayas the first mandate holder 2012 2018 offers a brilliant and comprehensive critique of the un system addressing the changes that must be made in order to further the emergence of a democratic and equitable international order de zayas proposes concrete reforms of the un system notably the security council he advocates recognition of peace as a human right slashing military budgets and establishing the right of self determination as a conflict prevention measure as it concerns the global economy he calls for reversing the adverse impacts of world bank and international monetary fund policies rendering free trade agreements compatible with human rights abolishing tax havens and isds alleviating the foreign debt crisis and criminalizing war profiteers and pandemic vultures he denounces unilateral coercive measures economic sanctions and financial blockades because they demonstrably have led to hundreds of thousands of deaths alfred de zayas is a gifted human rights lawyer who alongside jakob moller pioneered the development of un human rights jurisprudence he was a dynamic special rapporteur as is evidenced by his principles for a democratic and equitable international order bertrand ramcharan acting un high commissioner for human rights 2002 2004 the 25 zayas principles of international order are a modern magna carta if implemented by the international community they would help ensure peace with social justice in the 21st century pursuant to the un charter member states bear responsibility for future generations hence they should take concrete measures to achieve this rules based order in international solidarity maria fernanda espinosa president of the 73rd session of the un general assembly 2018 19 zayas proposes a new functional paradigm of human rights for all his elaboration on principles and on how to apply international law uniformly is a welcome contribution to a necessary debate on the foundations of a just international order professor dr carlos correa university of buenos aires executive director of south centre
